CLASS DESCRIPTIONS

Anusara Yoga	An alignment-based yoga class that includes a sequence of sun salutations, standing, balance, seated and supine poses, with focus to strengthening actions for hips, shoulders, and back.
Core & More	This class uses weights and floor work to sculpt abdominals while also targeting major muscle groups to build a lean physique.
HIIT	High Intensity Interval Training is a type of interval training exercise. It incorporates several rounds that alternate between several minutes of high intensity movements to significantly increase the heart rate to at least 80% of one's maximum heart rate, followed by short periods of lower intensity movements.
Interval Challenge	A fun and challenging workout that will include intervals of cardio, both spinning and floor based, and strength training designed to maximize the effectiveness of the workout. This workout is customized to you to make sure it is both doable and a challenge every time.
Pilates	A low-impact yet intense physical conditioning class that enhances strength, endurance, and flexibility. Emphasis on postural alignment, core strength and a balanced body.
Relax & Flow Yoga	A slower-paced yoga class that focuses on mindful movement and breathing. Leave with a renewed spirit and a relaxed body.
Sports HIIT	Sports specific strength training geared towards golfers. This class will introduce rotational movements to increase your daily functionality. Working with strength exercises, increasing full range of motion and moving properly; you will get everything you need out of this workout to be better in life and in your sport!
Strength Training	This total body functional strength training class increases muscle mass, improves core strength, enhances balance and elevates your overall wellness... all while having a great time! The use of compound movements with dumbbells will definitely provide a challenge for all fitness levels.
Stretch & Roll	This class uses foam rollers and mat stretches to provide myofascial release and self-care.
Tai Chi	An ancient martial art that involves a series of slow gentle movements and physical postures, a meditative state of mind, and controlled breathing. Tai Chi improves balance, strength, flexibility, and the mind-body connection.
Total Body Blitz	A fun and challenging class hitting your body from all angles. A fusion of movement patterns from kickboxing, mixed martial arts, sports performance, and yoga to get your heart pumping and body rocking! Finish strong with ab work finishers. Get ready to sweat!
Try It Workshops	Each Tuesday brings a new topic. Learn from various instructors about different health and wellness topics. See this month's flyer for more information.
TRX	Using the TRX suspension system and body weight exercises, you will challenge your body with a workout designed to torch calories, build strength, and improve heart health.
Vinyasa Yoga	Link breath with movement as you flow through variations of traditional sun salutations. This style of yoga enhances cardiovascular benefits. Creative transitions challenge balance and heighten the mind-body connection. Periods of holding challenge poses increase strength, tone muscles, and improve flexibility.
Walk It Out	Walking is one of the best ways to burn calories. Head and outside and explore beautiful St. Petersburg with our walking club. Meet in the group exercise room, and let Kitty set the pace while you walk with old friends or make some new ones.
Yoga & Meditation	A class that renews both body and mind. 40 minutes of yoga poses followed by 10 minutes of guided meditation to leave you completely recharged.
Zumba	Take the "work" out of workout! This class mixes low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness PARTY set to Latin and international rhythms.
